

The Northern California Chapters of AWIS present

The 2009 15th Annual Awards and Recognition Banquet

You are cordially invited to enjoy an inspiring evening and a lovely dinner party at this year's award dinner. This is an annual event in which the Northern California Chapters of AWIS gather together to celebrate 3 distinguished women scientists and several outstanding students. Come party with us and celebrate great women in science!

Several awards will be presented including:

- The 2009 Judith Pool Award to Helen Moore
- The 2009 Ellen Weaver Award to Juliet Spencer
- The 2009 Distinguished Professional Award to Sherrie Wilkins
- Chapter Scholarships to students at local community colleges
